### **Rata Team Snippet:**

Last week Rata Team was lucky enough to enjoy having Constable Cyrus in all of our classes. We had three sessions where we learnt about how to cross the road safely and how to wear our seat belts in the car. Help us remember what we did in class by reminding us to sit in our booster seats, wear our seat belts and to stop, look and listen before crossing the road with an adult. Thank you Constable Cyrus for a fun-filled Stepping Out week!

### **Karaka Team Snippet:**

On Friday Karaka team had their exciting "hook in". Children had to construct a mode of transport to carry an animal from the "forest to Auckland Zoo" This was a great experience for our children as they had to brainstorm, plan and then construct their own designs to successfully carry out this task. It was a great lead in to our inquiry of "I like to move it, move it" and the children did a great job with their designs.

### **Kowhai Team Snippet:**

Kowhai students enjoyed their bike rides and finding out how and why wheels were invented in their hook in activities

### **Rimu Snippet: *Back To School Campaign***

Last week Tuesday, Michelle from Travelwise came to our school and did the Slow Down Around School campaign. The purpose of the campaign was to remind drivers that school has started. The road patrollers wore a yellow vest and waved the signs so the drivers knew to slow down. Constable Cyrus was also present. A banner conveying the message was also displayed outside our school.

### **Kea Crossing Promotion**

Last week Wednesday, Michelle was back again to do the Kea Crossing Promotion with a group of road patrollers. Students held a kea while crossing the road. The purpose was to alert drivers of the crossing and remind them to slow down.
