School Donation:

I am sending home reminders for the school donation this week. \$15.00 per term or \$60.00 for the year. Although this is a donation and not compulsory, we obviously benefit for every dollar given to the school that we spend on providing resources and activities for our students. Could all Term 2 donations please be paid before 8 July?

Road Safety:

When getting out of a car, the safest door opens to the footpath. This will keep you safe on busy roads.

Stop chaos at the school gate

Never stop on yellow lines or double-park around the school. Parking like this can block the view of children and motorists.

Park safe and protect our children.

Whanau Breakfast:

We will be hosting Whanau Breakfast #2 in Week 8 on Thursday 23rd June at 7:30 to 8:30am in the school hall. The intent of the Whanau Breakfast is to provide an opportunity for whanau to come into school with their kids and engage in a fun and yummy time with other whanau in the school community and school staff. Based on feedback collected from the first Whanau Breakfast, we are looking to provide a hot breakfast probably including eggs, toast, bacon, hash browns, etc. There is no cost involved and all you need to bring is a healthy appetite! Look forward to seeing you there! Any questions just call Clinton Strother (027) 702 9288.

Karaka Team Snippet:

Karaka children have been working hard to develop their persuasive writing skills. They have been learning about language features like the the use of exaggeration and rhetorical questions to help them to convince their target audience to think like them. Ask your child who they have been trying to convince this week and what they were trying to convince them to do.

Kowhai Team Snippet:

Kowhai are now busy communicating all the new knowledge we have acquired over the Move it, Move it inquiry topic. Room 18 have been busy debating whether pit bull dogs should be banned as pets or not.

Rimu Snippet:

Last Tuesday after school I went and watched the Year 6, 7, and 8 netball teams play their weekly inter-school games at the Auckland Netball Centre. I was very impressed with all of the boys and girls playing in our school teams. I know that the coaches have been putting a lot of time into preparing the teams which is paying dividends as the Bailey Road teams are very competitive. It was great seeing parents supporting their kids on the side-lines with encouraging comments. Parental support is always asked for, so go along and watch. Games start at 4.15pm and go through to 7.30pm.
