Māori Language Week: 4-11 July 2016:

We had a great meeting on Monday evening and now planning is well underway for Maori Language Week.

Activities will run at lunch time throughout the week for all children.

To conclude the week children will be preparing a hangi for the school on Thursday afternoon. We ask that you support us by providing potatoes, kumara, pumpkin, cabbage and tinfoil. If you can provide meat for the school please contact Mr Muir via email on d.muir@baileyrroad.school.nz or see him before school in Room 15.

Principal's BLOG:

See my BLOG where I discuss our May 2016 Positive Behaviour for Learning data. It is wonderful to see how happy and respectful our students are.

Please visit www.baileyrroad.school.nz and use the Principal's BLOG tab.

PLEASE REMEMBER WE ARE A WATER ONLY SCHOOL!!

Yummy Apples Sticker Collections:

Please remember to collect the Yummy Apples Stickers and send them to school. We receive free sports equipment based on the number of stickers we can collect and send back to.

Also the barcodes of bags of apples can be sent along to school and points earned. Please send the stickers / barcodes to the school office.

Cultural Festival Groups Selection:

This week students have chosen their top 3 Cultural Festival Groups and teachers have organised each student into one of these groups for our Term 3 Festival which takes place during the week of 19-23 September. Students will practice each Friday afternoon to perfect a dance to perform to our community. As we study Cultures as a school wide Inquiry next term we want to see that there are sub-cultures within cultures and learning to understand each-other's customs/traditions, languages, social organisation builds knowledge, tolerance and acceptance. We aim to expose our students to a variety of cultures and sub-cultures throughout Term 3 2016.

Sharing Table- Fortnightly School Assemblies:

Our school gardens provide extra produce from time to time and we wish to share these fruits and vegetables with our community. A sharing table will be set up at the hall at fortnightly assembly. Please help yourself or share any excess items you might have with others.

Be Respectful, Be Responsible, Be Safe, Aim High:-Bailey Road School Expectations.

WSB One Year Anniversary-(Reminder:)

The walking school bus is holding a competition for the most students from a single class to walk with any of the existing bus routes between the 20-24th June, the winning class will win entry to an exclusive WSB bash held on 1st July in the hall from 6.00-8.30.p.m.

Get your teachers walking and they could win a prize.

School Donation: (Reminder)

I am sending home reminders for the school donation this week. \$15.00 per term or \$60.00 for the year. Although this is a donation and not compulsory, we obviously benefit for every dollar given to the school that we spend on providing resources and activities for our students. Could all Term 2 donations please be paid before 8 July?

Whanau Breakfast:

We will be hosting Whanau Breakfast #2 TOMORROW Thursday 23rd June at 7:30 to 8:30.am in the school hall. We are looking to provide a hot breakfast probably including eggs, toast, bacon, hash browns, etc. There is no cost involved and all you need to bring is a healthy appetite! Look forward to seeing you there! Any questions just call Clinton Strother (027) 702 9288.

Official Loom Band Packs for Sale:

Bailey Road School has 200 packs of OFFICIAL LOOM BAND packs for sale in the office for \$5.00 each which includes extra packs of bands and official loom band cradles, tools and patterns. See Mrs Ginders or Mrs Ward.

Rata Team Snippet:

As the term continues to progress, Rata Team are starting to complete this term's inquiry of 'I like to Move It, Move It.' The classes have acquired lots of knowledge about how modes of transport work, as well as different processes for moving things from place to place. Room 6 has been having a lot of fun exploring how a plane flies by doing hands-on experiences. We have made and flown paper planes to understand how wing size and shape impacts flight and we have propelled balloons in the classroom to learn about thrust. The other Rata classes have been working hard also and are keen to communicate their learning at the Inquiry Expo in Week 10.

Karaka Team Snippet:

On Monday, all Karaka children wrote a letter about whether or not animals should be in zoos. We used what we have learned about persuasive writing together with our experiences from the zoo trip to come up with some excellent reasons. We'd love to tell you all about our thinking and see if you agree with us. Please take some time over the next few days to talk to us about our writing and what we have learned this term.

Kowhai Team Snippet:

Room 13 has really been enjoying our writing this term. Recently we have written about why we think zoo's are bad and if it is always wrong to lie. Now that our work is published, come and see it up on display in Room 13. In science we have made our own marble runs, seeing what the longest time the marble can take from start to finish.

Rimu Snippet:

On Friday week 6 some students from the Rimu team went on a trip to Mindlab. There they learned about how to make a controller for a flight simulator. It was a lot of fun and a great learning experience for students who might want to pursue technology as a career. We used makey makeys and some wires to make the control work. It was a great accomplishment for students and it was great to see the reaction on some students faces.
