

Bailey Road HEART

We have five values that are foundational to our school culture, they are called Bailey Road HEART and represent Honesty, Empathy, Affirmation, Respect and Trust. These five values are ones that shape our school interactions. Over the next five weeks we will feature one value per newsletter. This week we will look at Honesty *Pono-nga*.

We value honesty as this allows us to interact with one another in an open and supportive manner. When we are honest in our interactions we know that we can count on others to share their views without fear or recrimination. Honesty is being truthful and sincere.

This week take the time to stop and acknowledge 'Honesty' in your day.

One Tree Hill College Enrolments and Scholarships

As you will be aware One Tree Hill College has a growing record of outstanding achievements. If you wish for your child to attend OTHC in 2018 you need to submit their [enrolment forms](#) as soon as possible. If you live out of zone these need to be received by 30 August and the ballot will take place on 6 September.

On Saturday the One Tree Hill College 1st XV Rugby team will play in the Auckland 1B rugby final at Eden Park. This is a tremendous achievement after a hard fought semi-final win against Tangaroa College 18-17 last weekend. Regardless of the result this Saturday, the team will also play off for a position in the 1A championship next season. This would place us amongst the top twelve 1st XV rugby teams in Auckland. Congratulations 1st XV.

Nits at School

Should your child's teacher notice that your child has nits in their hair they will send them up to the office and you will be called to pick them up. You will be given a letter to sign on their return to school that states you have treated their hair. If you would like advice about treating your child's hair then please do contact the local pharmacy or check out the information offered in last week's Principal blog.

Cancer Society Daffodil Day

As you will know Friday 25th August is the Cancer Society fundraiser, [Daffodil Day](#). We will be selling Daffodil Pins for a gold coin donation. All funds raised will be sent to the Cancer Society. Please send the money to your child's class.

Fun Run

Don't forget that our school FUN RUN is 1 September. Your child should be out training and getting sponsors. We would love you to come along and cheer all our students on. Mark this day in your calendar now.

Playgroup

Starting next Tuesday we are hosting a playgroup every Tuesday from 9am to 10am in Whare Ahuru Mowai. Coffee and tea will be provided. Please come along and join us. Parents can connect, children can learn and play. There is no cost.

PB4L Focus - Be Safe

Principal's BLOG:

Please visit our website www.baileyrad.school.nz and use the Principal's BLOG tab NZ has a problem with Bullying and our BOT has requested a report about the situation at BRS. See my BLOG this week to explain what we are doing about this NZ wide problem.

Trash to Treasure

We are well into our learning about using trash in innovative & new ways. Have you been into your child's class to see what they are currently pondering on? We would love to hear from any of you who have skills to share or contacts that would make a good class trip to see repurposing in action.

Tironui Trust

We are very lucky to have 20 Year 4 and 5 students participating in this programme this year. There is information in their [website](#) about what is necessary to be selected to be part of this wonderful opportunity in 2018. We will call for applications near the end of the year.

Rata Team Snippet:

How to make your teacher annoyed

First you make hand prints on the window and don't wash it when your teacher says to.

Next you scribble on your writing book and rip it. Then you ignore what your teacher says to do and you tell your teacher what to do.

Lastly you can talk back to your teacher and talk when your teacher is talking.

So that is how you make your teacher annoyed.

Karaka Team Snippet:

We are now halfway through the term and what a term Karaka has had so far. As well as the learning that has been happening in our classes, we have also been learning how to play the Ukulele with Mrs Grainger. What a great experience this has been for us all!! If you have a ukulele at home, ask your child to play you some of the chords and songs they have learnt.

Kowhai Team Snippet:

In preparation for learning about medians, modes, means, and ranges data, Room 13 is collecting information about how much time we spend on devices or watching TV each day. We would love to have some contributions from the wider school community, so if you're willing to help us, please keep track for at least 4 days and then email the information to r.stiers@baileyrad.school.nz. We would really appreciate it!

Rimu Snippet:

A few of the Bailey Road student leaders were chosen to be part of the ASB escapade challenge. Escapade is a company that is based around working as a team, to solve puzzles in order to escape from a locked room. This was a promo to promote financial literacy. The students tried their best, however, they didn't receive a placing. They had so much fun and can't wait to do it again.
