This week is Bullying Free Week in Aotearoa and within classrooms many activities and discussions have been happening around this topic, with a great deal of unpacking and understanding what bullying is and what role we can play in its prevention. Check out the website: www.bullyingfree.nz/parents-and-whanau/ - for helpful information and ideas.

The Kapa Haka will be having their Noho-a-kura this Saturday, where they will sing waiata, share stories, learn new games and participate in arts and crafts. Thank you to Whaea Maria and her team for making this awesome event possible.

Zirka Circus will be giving Bailey Road School a short sneak preview of their up and coming show which will be arriving in the area. Watch out for vouchers that will be sent home at the end of the week.

We have two new student leaders who were announced at Assembly, run by Kowhai last week. A massive congratulations to **Chance Tangiau-Misipeka** and **Malakai Watene** who have demonstrated our Heart values and positive leadership qualities. Well done to Miss Tui'tahi and students for a great launch to the 2018 Languages Weeks.
