

Whaia nga taumata - Aim High!

Wednesday 4 July  
Term 2 2018 Newsletter #10

Tēnā koutou, Malo e lelei, Talofa lava, Bula vinaka, Fakaalofa lahi atu, Kia orana, Namaste, Kumusta, Nǐ hǎo, Xin Chao, Guten Tag, Aayubowan, **Здравствуйте!** and Hello!

This is our last newsletter for Term 2 and what a wonderful term we have had! Mid Year Reports go home on tomorrow and you will be able to read all about your child's progress. Our last day is this Friday, we will enjoy two weeks of holidays then return to school refreshed on Monday 23 July.

We have a large amount of lost property so if you are missing any items of school uniform, please check this out. It is kept in Rimu Team's annexe which is opposite Room 12.

### TIRONUI TRUST

On Tuesday afternoon we were treated to a concert by some of our very own Bailey Road School musicians playing the violin, viola and cello. We are a very lucky school to be supported by the Tironui Music Trust who supply the teachers, instruments and this most amazing opportunity for our students to learn an instrument. Congratulations to Keshika in Room 17 who was awarded an excellence certificate for the first six months showing great progress and commitment to the programme. Ka pai!

### The 3 R's

Reuse, Recycle and Reduce  
You can make a plastic storage container for storing your sandwiches instead of using reusable plastic bags.

Whaea Maria made one so we all will use her idea and make one. All you need is one empty milk bottle, a button, some string and a creative mind to decorate your container. Please send to your child's teacher some empty milk bottles if you have them.

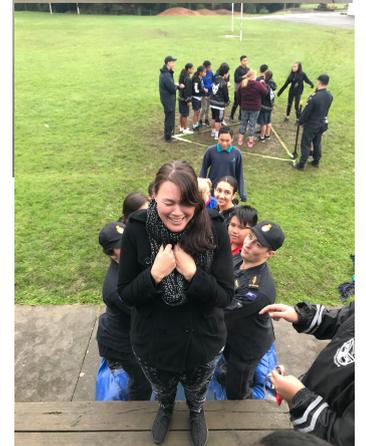

### REMINDER FROM THE OFFICE

**ABSENCE** - if your child is away for more than three days, we require a medical certificate. If you phone and leave a message, we need to know why they are not attending school eg. sick, funeral, medical appointment. The Ministry of Education requires the school to note this on the absence.

### Have you downloaded our app?

Skool Loop is another way we share information with the community. It is a free app we encourage you to download to your phone or tablet. You can read all the newsletters, see upcoming dates and contact us through the app if your child is absent.

Rata - Rooms 2, 3, 4, 5, 6	Karaka - Rooms 7, 8, 9, 20, 21
<p>Wow - we have arrived in Week 10 and what a fabulous term it is has been! Thank you for all the support you have given your children this term. It truly makes a difference to their progress. Over the holidays please continue to encourage reading in your home. It is a great opportunity to take your children to the library. We hope all our children enjoy the break and come back refreshed and ready to learn in Term 3.</p> 	<p>The Karaka Team has definitely had an amazing term full of learning and excitement. In Room 20 we have been using the last few weeks to publish our work to put up on display in our classroom. Feel free to stop by and check out our masterpieces including our finished information reports and brochures. It is now time for a well earned break but do remember to keep up with your learning by reading on a regular basis and keeping up with your basic facts. You could get even more creative and keep a journal. You can then write about all the fun things you get upto in the holidays. This week we say goodbye to Miss B in Room 9 and wish her all the best in her future endeavours. She will be missed! Please remember to check at home for any library books and school journals which you may have and return them to school by the end of this week. We appreciate your cooperation.</p>
Kowhai - Rooms 13, 16, 17, 18, 19	Rimu - Rooms 10, 11, 12, 14, 15
<p><i>Kowhai has been very busy with CPW this term. We have been looking at the different types of unique strengths that have binded us together for collective good. We have been focusing on how the past has influenced New Zealand to change our lives for the future. We know that there were unique strengths that Kupe, Captain James Cook, the Missionaries and the Maori brought to when they came to New Zealand. We even found strengths our ancestors used to build our communities together.</i></p> <p><i>Talei. W, Nikki, Keiko, Keshika, Maia, Eva, Ziyaad, Kayleem, and Teekaylah from Room 17 created these amazing projects influenced from their own curiosity, purpose and wonder. Well done!</i></p>	<p>Last Friday, Miss Smith organised a day for the sailors from HMNZS Te Kaha to come to Bailey Road and take a day of fun activities for the Rimu team students. The activities focused on our CPW context for term two - "Binding Together". The activities included: tug-o-war, bucket ball, kiddies electric fence, tying knots, dress-up relays, Ludo, circle of trust, and broken bridge.</p> <p>The activities made students work mostly collaboratively, although there were opportunities for them to test their own skills and courage. It was definitely an awesome day.</p>
