**DIGITAL TECH COMMUNITY NIGHT**

Come along next week and be part of our tech journey. You don't have to be an expert, you don't need to bring a device. This is an opportunity to see what is happening at Bailey Road School in regards to the technology we access and use.

**Have you met our SWiS?**

Hi all, just wanted to take the time to introduce myself. I am Delize Roos, the Social Worker in School (SWiS) for Bailey Road School. I have been based at BRS for the last year and have come to know the families and services within our school community. I have experience with Housing New Zealand, Work and Income, IRD, Oranga Tamariki and Child Development. I am a friendly face, am passionate about supporting families, want children to reach their potential. You are most welcome to pop into my office for a chat and a coffee.

Did you know that the Cook Islands are spread over some 200,000 km<sup>2</sup> of ocean, and are made up of some fifteen major islands?

<p>This week, you will have received a notice about our upcoming Auckland Maritime Museum trip. This is an exciting experience for our children, that is going to enhance their learning. Please ensure you pay your child's \$10.00 before Week 4. We really need assistance with supervision on this day, so please let your child's teacher know if you are able to come and have completed the Police check forms.</p>  <p><b>New Zealand Maritime Museum</b> HUI TE ANANUI A TANGAROA</p>	<p>Kia ora koutou, Karaka Team has returned and children are renewing their connections with everyone. Children are looking forward to our trip to the zoo in week 4. If your child has not returned their consent form please get it in as soon as possible. There is no cost for this trip so it would be a shame if your child misses out.</p> <p>For Statistics, Karaka Team is surveying the litter situation we have at BRS. How can we eliminate some of the litter around our school. Karaka Team children will be investigating their lunch boxes and discussing healthy and litterless lunches.</p> <p>There is a school focus on uniforms this term, please make sure your child comes to school in correct uniform.</p>

The Team have been put into Year 5 girls, Year 5 boys, Year 6 girls and Year 6 boys. Each group starts as soon as the group in front have cleared the courts and the pathway. Students are expected to do three to four laps for their training. It would be great if they had spare shorts or they could bring a spare pair of shoes to run in. We are choosing three boys and three girls from each group to represent our school in the Tamaki Cluster Cross Country.</p>	<p><i>The Year 7 and 8's have been practicing hard with the help of Mrs Salesa, Mrs O'Rouke, Mrs Fonoti and Mr Slade for the Eastern Zone Netball tournament taking place this Thursday at the Auckland Netball Centre in St Johns.
