Term 3 2018 Newsletter #4

Tēnā koutou, Malo e lelei, Talofa lava, Bula vinaka, Fakaalofa lahi atu, Kia orana, Namaste, Kumusta, Nī hǎo, Xin Chao, Guten Tag, Aayubowan, **Здравствуйте!** and Hello!

School is closed on Wednesday 15 August due to the NZEI (Teachers union) taking Strike Action. Teachers have not been on strike since the late 90s and are expecting a huge turnout on their march up Queen Street. They are seeking more resources and staff to support children with additional needs, a pay jolt to salaries to attract and retain teachers as we are more than likely facing a teacher shortage in the future. These things matter and it's time our tamariki had the education they deserve.

DIGITAL TECHNOLOGY COMMUNITY EVENING

Thank you to those parents and whanau who supported this evening. It was great to see you there and we know you will have taken new learning away with you.

HORIZONTAL GARDENS

You can create your own horizontal garden with recycled plastic bottles. Choose plants that require similar sun exposure and grow at similar rates.

BIG THANK YOU

A big thank you to Milahn and her whānau for donating a basketball goal for our senior basketball court. It is already a well used piece of equipment with our students continuing to improve their basketball skills.

DO YOU KNOW THAT BAILEY ROAD SCHOOL IS PART OF A COMMUNITY OF LEARNING (Kōhui Ako)?

This image is the symbol of Maungakiekie Community of Learning which represents the six individual schools collaborating for our collective success. The schools each bring their talents, strengths and whānau/aiga & communities to the collective in a spirit of robust inquiry. The school logos are connected as roots that give nourishment and strength to the tree.

Maungakiekie Community of Learning schools are woven together tightly to make a beautiful fabric that is stronger than the individual threads. Our success is reliant on one another and we work collaboratively with our key focus being our learners.

Rata - Rooms 1, 2, 3, 4, 5, 6	Karaka - Rooms 7, 8, 9, 20, 21				
<p>This term Rata team have been focusing on having healthy lunches to eat at school. The Rata teachers have been encouraging our children to make healthy food choices as this helps them to concentrate in class and keep their bodies healthy. Awards are being given out to students each day to those students who are bringing healthy lunches as well as litter less lunches - your support with this would be much appreciated.</p>	<p style="text-align: center;">Kia Ora Koutou,</p> <p>As part of her independent writing Alyssa (Room 7) has been making up some cool riddles for us to figure out. See how you go at solving them.</p> <ol style="list-style-type: none"> 1) There are two twins. One is twenty, the other is twenty two. How is that possible? 2) I have a face and two hands but no body or legs. What am I? 3) June's mum has five children, March, April, May, July and who?
