Term 3 2018 Newsletter #10

Tēnā koutou, Malo e lelei, Talofa lava, Bula vinaka, Fakaalofa lahi atu, Kia orana, Namaste, Kumusta, Nī hǎo, Xin Chao, Guten Tag, Aayubowan, **Здравствуйте!** and Hello!

It is the last week of term 3 and what a busy week it is! We finish this Friday 28 September at 2.45 pm and return for Term 4 on Monday 15 October.

Last night was the sold out, opening night of **Shake it Up!** What a great way to start this showcase of dance. Tonight will be our final sold out show, starting at 6pm and expected to finish at 7.45pm. Just some reminders to please park legally - not across neighbours driveways or on yellow lines. We are selling fizzy, water and chips from the hall kitchen to help support Rimu Team Camp in Term 4 so please bring along some coins for refreshments.

A **HUGE** thank you to everyone from our community that has generously supported Shake it up and made it the positive experience it has been.

[Term Four - Curiosity Purpose & Wonder](#)

Our CPW for term four is titled 'Innovation' and our across school question is 'What important problems can technology solve?' Over the holidays look for opportunities to consider this question and have discussions with your child about how technology has helped you solve problems in your life.

[Hats](#)

When we come back to school after the holidays students are expected to have a navy blue bucket or cricket style hat to wear at break times. If you wish to purchase a hat with the school logo (which is optional) then these are available from The Warehouse Sylvia Park.

[Have you downloaded our app?](#)

Skool Loop is another way we share information with the community. It is a free app we encourage you to download to your phone or tablet. You can read all the newsletters, see upcoming dates and contact us through the app if your child is absent.

[WHEELS DAY](#)

Tomorrow (Thursday) is Wheels Day. Your child may bring their bike, scooter or roller skates, along with the appropriate safety gear to school. Please take them to the pool area to have it locked away safely until it is their teams turn to enjoy their wheels. Wheels Day is an annual event that promotes getting active, healthy lifestyles and learning about road safety. Miss Wilson has worked hard to organise the day and we thank her for her leadership in this area.

Rata - Rooms 1, 2, 3, 4, 5, 6	Karaka - Rooms 7, 8, 9, 20, 21
<p>What a great week we have had so far! Everyone has been practising so hard and it's great to see so much positivity!! Our children have so many different talents and it's fabulous to see these being showcased in front of our school community. As we come to the end of the term, please ensure that all books are returned over the next few days. If you have any extra school books at home, please send them along with your child to be given to their teacher.</p>	<p>This term our school has been asking the question 'How can we create lasting messages about conservation'. Our team have looked at areas such as native birds and trees, insects and litter around our school. Room 9 have learnt about microplastics and how our school may contribute to the bigger problem. We are currently exploring options to prevent this, but we are so proud to see so many children at school making an extra effort to pick up rubbish and keep our environment clean. Ka rawe Karaka!</p>
Kowhai - Rooms 13, 16, 17, 18, 19	Rimu - Rooms 10, 11, 12, 14, 15
