A heartfelt thank you to everyone who braved the poor weather last Wednesday and was part of the wonderful event that was our book and community garden launch. It was so thrilling to experience the excitement when the boxes were opened and we all had our first sight of the book. It was a very proud moment for us to see the work of our students celebrated in this way. Every student and staff member now has their own copy of the book 'Hey You, Yeah You, Read This Book' to add to their personal library. It was a great honour to have Associate Professor Damon Salesa speak and inspire us all.

CONGRATULATIONS MR AND MRS LOVE

Bailey Road School would like to congratulate Miss Smith (Room 10) on her marriage and becoming 'Mrs Love'. We wish you and your husband every happiness now and in the future.

BOOK AMNESTY

Please send to school any books that you may have at your home that belong to school. At this time of the year we collect all books in so that we can complete stocktake and make any necessary repairs. The Auckland City Library Bus will continue to visit Bailey Road throughout the holidays so you can stock up on summer reading material for adults and children.

PARKING

Please ensure that you park responsibly so that all our children are safe. We have four places that students can enter and leave school (gate 1 and 2 on Bailey Road, Cotswold Lane and a walkway to Penrose Road).

KA PAI MOMENT

A group of students participated in international exams, preparing alongside Mrs Macintosh and we are proud to share their results with you. Well done.
