

Tenā koutou, Mālo e lelei, Kia orana, Kamusta, नमस्कार, Namaste, 안녕하세요, Talofa lava, স্বাগতম and Bula vinaka!

A short week this week. We hope you had a great long weekend and enjoyed the extra day. We are over half way through our term and time definitely does fly!

We are excited next week for the **WHOLE SCHOOL** to go to Aotea Centre to watch the **National Youth Production of Disney's Beauty and the Beast**. The performance will include 250 talented young performers from all over Auckland and a live band. Thank you to those parents who are supporting this amazing opportunity, we hope you enjoy the show too!

NZEI - TEACHER PAID UNION MEETING

The NZEI will be having Union meetings throughout New Zealand in June to address the Primary Teachers Collective Agreement. A majority of teachers at Bailey Road School are Union members and will attend the local Paid Union Meeting, while the school will remain open, regular classroom programmes will not happen in the afternoon.

SUPPORT STAFF WEEK

Have you met all the amazing people who help make Bailey Road School - great? It is Support Staff Week and we would like to acknowledge the contribution of our Caretaker, Admin personnel and Learning Support assistants. They share their expertise, talents and skill, everyday with students and staff, and we value their contribution to our school.

A word from the Principal - Mr Kelly.....

Tēnā koutou,

I trust everyone had a nice Winter break over Queen's Birthday Weekend? Winter is the time of year our absentee rates begin to rise. We have worked hard on getting our tamariki to regularly attend school by contacting whānau to check on reasons for being away and ways we might help with their return to school. It is not difficult to understand that our success rate of preparing students for their success as they grow is directly related to how often we can work face to face with them.

Please do keep your children home if they are ill but otherwise send them to school where we will do our very best to lay the social and academic foundations they will need to fulfill their potential in later life.

Our Shade Structure project is moving steadily along. The structure itself, with lights, is in place. Phase two of the project is very near completion - placing fencing so that cars will not be able to park on our new astroturf when it is laid [scheduled for the October school holidays], and students with muddy feet are not able to run directly across it from the large playing field. The Bailey Road School Board of Trustees has undertaken a long term view of improving our school facilities and the Shade Sail project is a wonderful first step in this process.

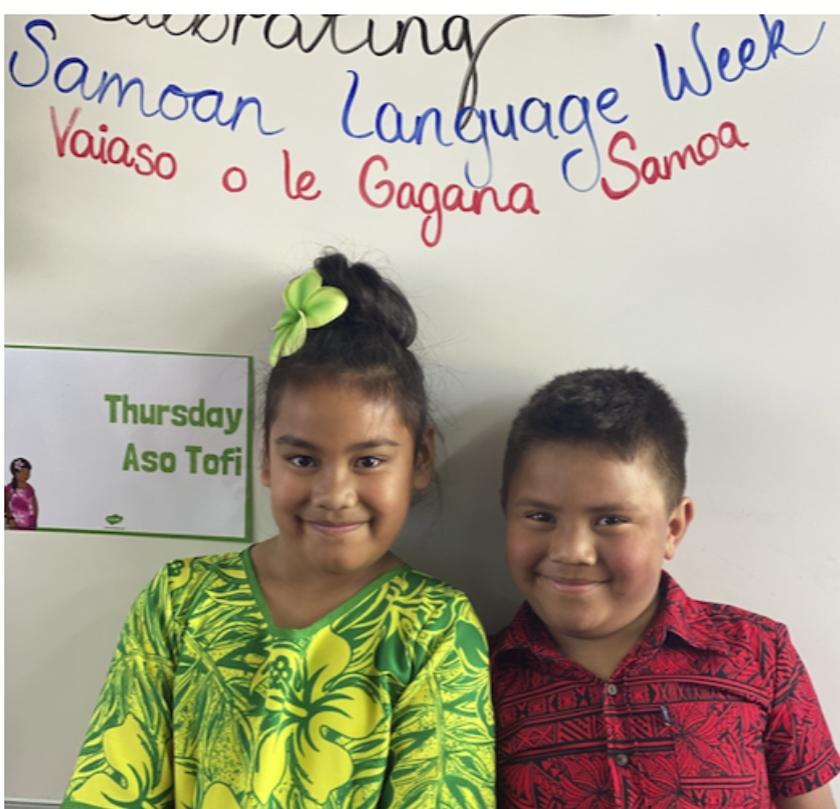

This week we are celebrating a very important group that works in our school. Teacher aides are a vital part of the picture in a school - often providing the 'close-in' work with students who would benefit from extra assistance to boost their learning. Our teacher aides support students with special needs and other learners who require additional support [such as reading]. We have now launched a specialised team of teacher aides that analyse data and specifically target needs in individual students that are becoming much more apparent through our use of the Student Trackers. Teacher aides are also vital in providing support during sporting events, school trips and shows. They patrol our playgrounds along with teachers ensuring our tamariki are as safe as they can be. The warmth and care that teacher aides put into their work is inspiring and they often develop very close and caring relationships with the students they are assigned to. We are very lucky to have our marvelous team of teacher aides.

Finally, thank you to our wonderful students and staff who made Samoan language week such a success. It is always a delight to witness the cultural performances that 'top off' our language weeks.

E lagona lava le loto fiafia ma le mitamita i alo ma a tatou fanau.

I hope you enjoy this shorter working week and that the weather improves before the weekend commences.

Ngā mihi

REMINDERS....

SCHOLASTIC LUCKY BOOK #4
