Saywell

MRS FILOA 'Muta'

HEY YOU

- Has been at BRS for four years
- Works in the front office
- Is much loved by staff and students

A picture goal is to live a healthy lifestyle.

A BRS MEMORY

I guess a great one is getting called different names by our little people every time they come to the office 😊 e.g. Hey, Miss, Teacher, Oi You, Hey lady and my fav one - "Miss Office Lady".

A fun fact about myself is that I am very competitive when it comes to sports.

What makes BRS unique? Our amazing staff, the unbreakable love and support from the Leadership Team, the Board of Trustees, Teachers, TA's/Support staff and everyone who has been a part of my journey!

BRS will always have a very special place in my heart. A little while after being here, I soon discovered a true love for what I do and never thought of leaving for a longer period of time - but I guess God has other plans for me and as one of my favourite Scripture verse says - "For I know the plans I have for you, plans to prosper but not to harm you", I will forever cherish all the beautiful memories (esp being called M&M in the office) & all the friends I met during my time here. I will miss you all very much. Fa'afetai tele lava mai le taele o le loto. Fa'amanuia tele le Atua. Thank you so much from the bottom of my heart & God bless you all. Solfua

I have found a job that allows me to work from home which means no more waking up at 5am or sitting in traffic to/from school - 60km daily!

A word from the Principal - Mr Kelly

Kia ora koutou,

Our Year 4 to 8 children have been exposed to the 'Tread Lightly Caravan' for a few days. This mobile learning resource teaches our tamariki to be aware of the impact of waste and how our lifestyles are affecting the world we live in.

I was happy to accept an offer for our school to become an old mobile collection location. We have a box in the office where you can leave your old phones, or other small devices with lithium batteries, to be collected and recycled in a way that will avoid hazardous metals and chemicals leaching into our soil and waterways. This also raises a small amount of money for the school which we will direct towards reducing camp fees for our senior students' camp next year.

Elections are coming up soon and our school hall will be available as a polling station so please feel free to exercise your democratic right in our hall.

Our students also undertake an election where they are taken through the adult process and have their chance to vote for who they feel will best represent their interests. Part of our inquiry programme during election years is to take a close look at democracy and how voting can make a difference in lives.

Our Juniors voted to have a pyjama/movie day as part of their inquiry into understanding how voting works to get some of the things most of them wanted. I don't know if any of our political parties have considered pyjama days as part of their election promise portfolio, but it was certainly a vote getter here.

Ngā mihi nui
