TEACHER INDUSTRIAL ACTION

This Thursday Bailey Road School will be closed as teachers take strong action for better outcomes in their next Collective Agreement.

OUR SWIMMING POOL

Our beautiful swimming pool is still open, the weather is still warm and this is an important opportunity for all of our students to learn to swim, improve their understanding of water safety and build their confidence in the water. Your child needs to bring their togs and towel on their swimming day and participate in swimming - a vital part of our Health and Physical Education Curriculum.

SCHOOL APP

Download our school app - Skool Loop for easy access to school information.

HEALTHY SCHOOL LUNCHES

We are loving our warm lunches from DC Caterers!

STUDENT STATIONERY

All students should now have their stationery, if you are having difficulty purchasing stationery, please contact your child's teacher.

A word from the Principal - Mr Kelly

Kia ora koutou,

We were able to hold our first powhiri for quite some time on Friday the 17th and welcomed new members of staff, community and students to our school. We were also able to use our shade cover for the first time for this purpose and it is tremendous that we now have this second option for our whole school activities.

We were fortunate during the two storm events that have wreaked havoc on Auckland and the entire North Island recently. Our stormwater system managed the tremendously heavy rainfall, though we did lose a large tree and some smaller ones to the high winds.

The Bailey Road School Strategic Plan 2023-2025 has been published on our website [www.baileyroad.school.nz] and includes specific reference to the National Education and Learning Priorities [NELPs]. These include five objectives:

- 1] **Learners at the centre** - learners with their whānau are at the centre of education.
- 2] **Barrier free access** - Great education opportunities and outcomes are within reach of every learner.
- 3] **Quality teaching and leadership** - quality teaching and leadership make the difference for learners and their whānau.
- 4] **Future of learning and work** - learning that is relevant to the lives of New Zealanders today and throughout their lives.
- 5] **World class inclusive public education** - New Zealand education is trusted and sustainable.

The NELPs are statutory documents enabled by the Education and Training Act [2020] that set out the government's priorities for education. Seven priorities operate under the objectives, giving further detail to the NELPs. This [link](#) provides more information on how the NELPs inform the way the school operates. We will publish the NELPs on our website too so that they are an easy reference tool for you.

Last Friday we took our whole school trip to Long Bay. Our students have shown extraordinary resilience and exhibited our HEART values, particularly 'Togetherness' during these difficult times, over the past few years. Visiting the beach is a fun activity that we used as a writing prompt, an opportunity to look at seaside ecosystems and as a chance to promote health and PE through Sunsmart awareness and ocean swimming.

DONATIONS PLEASE

We are after donations for our Lockdown buckets, which are kept in our classrooms - ready for an emergency. These snacks would be non-perishable and help to sustain our tamariki for a few hours.

If you have any of the below items, we would appreciate them, please drop them off at the office.

- Snacks in small packets eg. crackers/chips
 - Muesli bars
 - Small paper cups
