A word from the Principal - Mr Kelly

Tēnā koutou,

Our Board of Trustee elections take place this year. Here is a link to School Board Elections to provide you with more information to help understand the process that is undertaken to elect school board members.
If you are interested in having a more involved role in our school, undertaking the responsibilities of governance and the many decisions that are made on a regular basis to ensure our school runs as effectively as it possibly can you please consider accepting a nomination to stand as a candidate.

Michelle Ginders, the school's financial officer and Board of Trustee Secretary will again act as our returning officer. Nomination papers will be posted to our whānau and these may be used to nominate either yourself or someone else. The person nominated can either choose to accept their nomination or not. If they accept their name goes onto the ballot paper as a candidate. Nominations close at 12:00 noon on the 5th of August, 2022.

Voting papers are sent out to our community via post. Candidates are invited to speak at a public forum - at the school - to allow the community to hear the candidates views and to ask them questions.

Completed voting forms are returned to the school, either by post or by dropping into school, and the forms are placed in the sealed ballot box in the school office. Voting closes at 4 pm on the 7th of September 2022, postal votes by the 12th of September, 2022.

Once the due date has been reached the returning officer will

break the seal on the ballot box and count the votes for each candidate. Candidates are welcome to nominate a scrutineer on their nomination form [candidates cannot be scrutineers] to oversee this process.

The results are then published and any new board members will begin to attend meetings following confirmation.

This year, board member Kerry Thompson will be resigning after many years of long and dedicated service. It has been my pleasure working with Kerry as a member of the Board of Trustees and Bailey Road School staff and students thank her and wish her well in future endeavours.

Kia kaha.

HEALTHY SCHOOL LUNCHES

Bailey Road School work closely with Alliance who prepare our healthy school lunches. They have prepared nutritional information which we share with students and whānau. Here is a reminder about our favourites - vegetables.

On Mondays we really enjoy eating our hot meals which arrive in mini ovens.
